

THINKING OF YOU

LLC.

“Patent application in process”

ORIGINAL

Dimensions

Length	4.640 m
Height	1.485m
Width	1.845 m
Trunk space	1.25 m ³

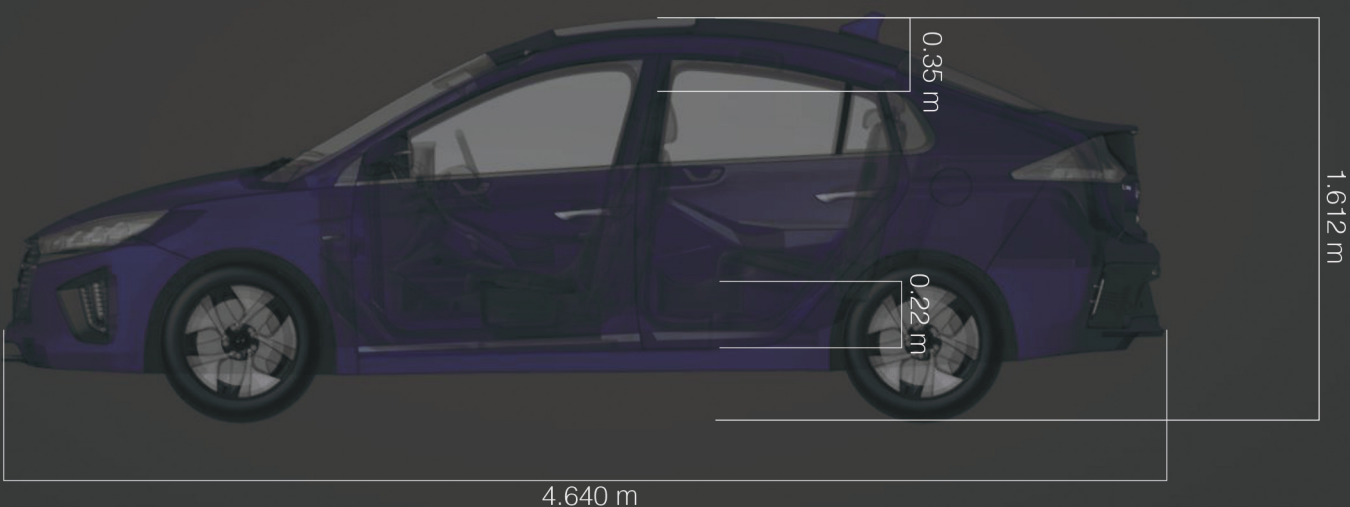

THINKING OF YOU

Dimensions

Length	4.640 m
Height	1.612 m
Width	1.845 m
Extended Trunk space	1.7754m ³

"Original" Weight

Glass	44.76 kg
Aluminium	109.48 kg
Steel	96.95 kg
Plastic	72.54 kg

"THINKING OF YOU" Weight

Glass	57.77 kg
Difference	13.21 kg
Percentage Increase	29.66%
Aluminium	121.6 kg
Difference	13.63 kg
Percentage Increase	11%
Steel	129.97 kg
Difference	7.02 kg
Percentage Increase	7.24%
Plastic	79.821 kg
Difference	7.2 kg
Percentage Increase	10%

LEG ELEVATOR

Crafted from durable lightweight aluminum and equipped with an electric linear actuator that guarantees seamless motion while boasting an impressive weight-bearing capacity of 200 kg approx.

Weight	7.54 kg
--------	---------

SEATING STRUCTURE

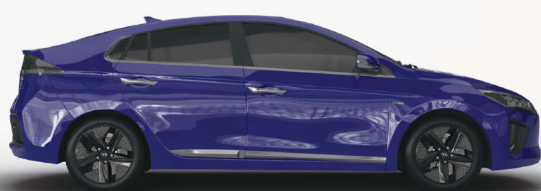

Constructed from robust steel profiles engineered to withstand forces up to half ton.

This component facilitates the elevation of rear seats, enhancing visibility for passengers seated in the second row.

Weight	16.84 kg
--------	----------

Total Weight "Original"

Total	1,358 kg approx.
-------	------------------

Total Weight "THINKING OF YOU"

Total	1,420.2 kg approx.
Difference	61.27 kg approx.
Percentage Increase	4.5% approx.
